

MOBILE SHOWERS • EMERGENCY SERVICES

# Type-1 Mobile Laundry Unit

**DESCRIPTION:** Our type-1 mobile laundry units are custom built built into 53' long semi trailers featuring 16 HE washers and 16 HE electric dryers. Our laundry units are completely mobile and self sufficient. Our type-1 mobile laundry units were designed for large scale base camps with populations in excess of 1000 personnel. AAA has a great reputation for our fluff and fold service and detailed tracking process. AAA has extensive experience in providing mobile laundry services in emergency base camps for first responders, utility workers, evacuees and military personnel.
